**Announcement of Confirmed COVID-19 Case  
at Asset Management Company**

Japan Real Estate Investment Corporation (“JRE”) learned that an employee of Japan Real Estate Asset Management Co., Ltd., the asset management company to which JRE entrusts asset investment, has been confirmed infected with COVID-19. The employee last came to the office on February 7 and has tested positive on February 11.

The asset management company will perform the necessary procedures following guidelines from health authorities.

This is the English translation of the announcement in Japanese dated February 14, 2022.
