Notice of Transfer of Domestic Property and Acquisition of Trust Beneficiary Right in Trust of Domestic Property from Exchange

Japan Real Estate Investment Corporation (the “Company”) announced today that Japan Real Estate Asset Management Co., Ltd., an asset management company to which the Company entrusts the management of its assets, decided to transfer the following domestic property and acquire the following trust beneficiary right in trust of domestic property (additional acquisition) from exchange on December 15, 2016.

<<Asset to be transferred from exchange>>

Name of property	Location	Type of asset to be transferred	Transfer price
Genki Medical Plaza	Chiyoda-ku, Tokyo	Domestic property	¥ 6,890 million

<<Asset to be acquired from exchange (additional acquisition)>>

Name of property	Location	Type of asset to be acquired	Acquisition price
Shinjuku Eastside Square (share of co-ownership: 3.6%)	Shinjuku-ku, Tokyo	Trust beneficiary right in trust of domestic property	¥ 6,660 million

<<Purpose of exchange of assets>>

Mitsubishi Estate Co., Ltd. is the scheduled transferee and transferor of both the asset to be transferred and the asset to be acquired (additional acquisition) from the exchange. By exchanging previously-built asset for a recently-built asset with competitive edge, the Company aims for replacement of properties that will lead to the improvement of its portfolio along with maintaining and expanding revenue base.

<<Outline of exchange of assets>>

- | | |
|--|---|
| 1) Counterparty of exchange transaction: | Mitsubishi Estate Co., Ltd. |
| 2) Scheduled date of agreement: | December 26, 2016 |
| 3) Scheduled delivery date: | January 25, 2017 |
| 4) Advanced depreciation accounting: | Advanced depreciation accounting of the land of the Property to be acquired is scheduled to be made (the provisions under Article 50 of the Corporation Tax Law of “recognition of loss of the amount of the advanced |

5) Exchange differentials:

depreciation accounting of the value of the property acquired by the exchange” shall be applied).

The exchange differentials between the scheduled acquisition price and the scheduled transfer price shall be received from the counterparty on the scheduled delivery date.

<<Effects of exchange>>

(i) Notional book value of the Property to be acquired:

In this exchange transaction, advanced depreciation accounting of the land of the Property to be acquired is scheduled to be made and the notional maximum amount which can be recognized for the advanced depreciation accounting (approximately 2,000 million yen), out of the capital gain upon the exchange of the Property to be transferred, is scheduled to be deducted from the acquisition price of the Property to be acquired, and therefore, the book value of the Property to be acquired is expected to be approximately 4,600 million yen (before reflecting various expenses for acquisition, etc.).

(ii) Capital gain upon this exchange transaction:

Due to this exchange transaction, approximately 34 million yen of capital gain is scheduled to be recorded at the closing of accounts for the fiscal period ending March 2017 (a six-month period from October 1, 2016 through March 31, 2017) of the Company.

<<Asset to be transferred from the exchange: Genki Medical Plaza>>

1. Outline of transfer of assets

- 1) Asset to be transferred: Domestic property and leasehold rights of the property (land)
- 2) Name of property: Genki Medical Plaza
- 3) Scheduled Transfer price: ¥ 6,890 million (note 1)
- 4) Estimated book value: ¥ 4,776 million (note 2)
- 5) Difference between the scheduled transfer price and estimated book value: ¥ 2,113 million (note 3)

(Note 1) Scheduled transfer price does not include transfer costs, adjustment amounts of property taxes and city planning taxes and consumption taxes, etc.

(Note 2) Estimated book value is the book value estimated as of the scheduled delivery date by the asset management company based on the estimated capital expenditures and depreciation until the scheduled delivery date. However, values less than one hundred million yen are cut off.

(Note 3) This is only a reference value which is the difference between the scheduled transfer price and estimated book value, therefore, it is different from gain or loss on sale. However, values less than one hundred million yen are cut off.

2. Reason for the transfer

As 31 years have passed since the completion of this property which exceeds the average building age of the Company's portfolio (17.5 years as of September 30, 2016), the Company faced challenges with regards to the handling of the renovation and renewal costs to be incurred in the near future.

In view of such circumstances, Mitsubishi Estate Co., Ltd. (the scheduled transferee) proposed to the Company to transfer its property, Genki Medical Plaza in exchange for the acquisition of a partial share of the transferee's co-ownership of Shinjuku Eastside Square. The Company currently owns a 14% co-ownership of the property.

After receiving the proposal and comprehensively studying the characteristics of the property, the profitability of the portfolio, the future strategy of the portfolio, etc. based on the basic policies of asset management and investment attitude under the Articles of Incorporation of the Company, the Company

decided to transfer its property and additionally acquire the share of co-ownership of Shinjuku Eastside Square as described below under the exchange transaction.

<<Asset to be acquired from exchange: Shinjuku Eastside Square (additional acquisition)>>

1. Outline of acquisition

- 1) Asset to be acquired: Trust beneficiary right in trust of domestic property
Land: Ownership (share of co-ownership: 3.6%) (note 1), (note 2)
Building: Ownership (share of co-ownership: 3.6%) (note 1), (note 2)
- 2) Name of property: Shinjuku Eastside Square
- 3) Trustee: Mitsubishi UFJ Trust and Banking Corporation
- 4) Term of trust agreement: January 25, 2017 (scheduled delivery date) to September 30, 2024
- 5) Acquisition price: ¥ 6,660 million

(Note 1) The Company acquired part of the property on October 1, 2014 and owns 14% of co-ownership of the property as of December 15, 2016.

(Note 2) The Company will acquire trust beneficiary right in trust of a 3.6% co-ownership of the property, and an additional trust regarding the above mentioned 14% of co-ownership is scheduled to be executed on the scheduled delivery date. As a result, the Company will own trust beneficiary right in trust with a 17.6% co-ownership of the property.

2. Reasons for the acquisition

Please refer to “**2. Reason for the transfer**” on page 2 for the background of the Company’s decision to acquire the property. In particular, the following points have been highly evaluated in the determination of the acquisition.

(1) Superior location

This property is a large, recently-built office building and a rare property located in Shinjuku, a world-class business district with a high concentration of commercial facilities.

The property offers superior traffic convenience as it is directly connected to Higashi-Shinjuku Station of the Toei Oedo Line and the Tokyo Metro’s Fukutoshin Line. Shinjuku Sanchome Station is also within walking distance. It is possible to take advantage of the well-developed traffic network from Shinjuku Station, a rail hub which boasts one of the world’s highest transit riderships.

(2) Brand new office building with sophisticated features

Completed in March 2012, the property has an office building equipped with the latest specifications and its office space is approximately 1,800 tsubo per floor, one of the largest in central Tokyo. It accommodates convenient facilities for office workers such as restaurants and a fitness gym.

With the use of a double-skin façade and air barrier system, the building enhances energy efficiency and reduces environmental burdens. In addition, it has high functionality in terms of earthquake-resistance and disaster prevention since it is equipped with an emergency generator and a damping device.

(3) To increase share of co-ownership in the property

The Company owns 14% of co-ownership in the property and as it understands the characteristics and details of property management of the property, efficient property management and improvement in asset value can be expected through increasing its co-ownership ratio to 17.6% with this additional acquisition.
